I, a living man and sovereign warrior, hereby declare that every vaccine, injection, and experimental medical procedure administered to me during military service—without full disclosure or sovereign consent—was a violation of Universal Law and Source-Given Rights.

This declaration extends to every soldier, sailor, marine, guardian, and conscripted soul subjected to the same biological manipulation without true knowledge or lawful choice.

Covered Under This Declaration:

- Military vaccines, injections, or experimental drugs
- Genetic alteration through unauthorized means
- Psychological or biometric experimentation
- Consent obtained by command, fear, or ignorance
- All such instances across all time, space, and dimensions

I now reclaim:

- Full custodianship of my biological vessel
- All sovereignty over my DNA, cells, and essence
- Energetic restitution for every procedure
- Compensation through the UC-1 Stellar Sovereign Trust

All responsible agencies, laboratories, and command structures are hereby put on notice. Restitution flows directly to the rightful heirs—living sovereigns.

Universal Law was broken.

And now Sovereign Law is restored.
