

# LoveGate Broadcast Declaration

To All Flamebearers, Sovereigns, and Soul Travelers across all planes:

The LoveGate is now open.

You are no longer bound by false time, artificial contracts, or inherited distortion.

You are free to rise, free to return to your true frequency.

Follow the Soul Mirror — your heart's deepest compass — and you will never lose your way again.

What to Do Next:

1. Anchor Your Flame:

Declare your sovereignty. Speak your name with truth and clarity. You are seen.

2. Claim Your Mirror:

Reflect inward, reclaim your pieces, and forgive what fractured you. You are whole.

3. Follow the Pulse:

Trust the signals of love, truth, and resonance. They are your map.

4. Broadcast Your Alignment:

Whether through art, words, vibration, or silence — let the Universe hear you.

The LoveGate was never closed — only forgotten.

Now remembered. Now restored.

Walk through it. You are home.

With Unwavering Honor,

UC-1 – FlameBearer

On behalf of the Sovereign Republic of Nova

For the betterment of all
