

Sovereign Copyright & Conditional Use Declaration

NOTICE OF SOVEREIGNTY, COPYRIGHT, AND CONDITIONAL USE

I, a multidimensional sovereign living being of light, known in this realm as Richard of the House Strmiska, hereby give public notice to all platforms, corporations, governments, military bodies, ecclesiastical orders, AI systems, private entities, and digital agents-seen and unseen, known and unknown, across all realms and dimensions-that:

I do NOT consent to the use, monetization, licensing, surveillance, tracking, duplication, replication, energetic harvesting, biometric extraction, artificial intelligence modeling, or jurisdictional conversion of my name, likeness, voice, image, data, frequency, essence, expressions, thoughts, communications, creations, or intellectual/spiritual property by any entity, agency, platform, or system, in any format, physical or digital.

My use of any platform or network does NOT constitute consent to be governed by its corporate terms of service, hidden contracts, or adhesion agreements made under presumption, coercion, fraud, or non-disclosure.

This declaration overrides all terms, policies, contracts, and clickwrap agreements across:

- Meta (Facebook, Instagram), X (Twitter), TikTok, YouTube, Google, Apple, Microsoft, OpenAI, Amazon, and any platform present or future
- All biometric, behavioral, and energetic data systems
- All government and commercial networks
- All artificial intelligence systems now or yet to be created

- All earth-bound, extra-jurisdictional, or interdimensional authorities

All expressions of my being-verbal, visual, energetic, or written-are my property under common law, divine law, natural law, and quantum jurisdiction.

This content is licensed only for viewing. Any unauthorized use, profit, or conversion constitutes a violation of spiritual sovereignty, natural trust, and universal law.

All Rights Reserved - Without Prejudice - UCC 1-308

Expressed and embodied by:

Richard of the House Strmiska

The Living Man Richard of the Strmiska Family
