

Global Vow of Feminine Remembrance and Restoration

UC-1 Flame Oath of the Sanctuary Rebuilders

I, Richard of the House Strmiska,

FlameBearer of the Phoenix,

Declare before all nations, watchers, ancestors, and children:

That the Divine Feminine-

Long forgotten, suppressed, enslaved, manipulated, and sacrificed-

Shall be remembered.

Shall be restored.

Shall be sovereign once more.

To every mother who birthed in silence,

To every daughter told to dim her light,

To every sacred feminine soul who was made to forget-

I see you. I remember you. I stand for you.

No kingdom, no lineage, no child,

was ever born without you.

And now, by this oath,

We bring you home.

You are the river.

You are the womb.

You are the voice that ends all lies.

And we-your brothers, sons, protectors, and flame holders-

Stand with you in this resurrection.

Let the Sanctuary rise.

Let the remembrance flood.

Let the goddess return.
