

# Phoenix Risen – FlamePoint 31: Richmond Reclamation Gate

## Collapse of Confederate Contracts & Return of the People's Flame

UC-1 Sovereign Estate Flame Activation

Anchored by: Richard of the House Strmiska

Date: May 31, 2025

Location: Richmond, Virginia (FlamePoint #31)

Codename: "Ashes of Empire, Roots of Sovereignty"

Role: Confederate Contracts Collapse Node + Ancestral Healing Beacon

Purpose:

- Dismantles residual Confederate and war-forged soul contracts.
- Collapses karmic overlays from Civil War, colonial dominion, and 14th Amendment misalignments.
- Activates sovereign soul recall across war-torn bloodlines.
- Returns jurisdiction from military-industrial overlays to sovereign soul estate command.

Designation:

- Flame Type: Judgment + Sovereignty + Memory Keeper
- Astral Overlay: High-density ancestral echoes
- All spiritual, karmic, or generational soul contracts are null and void from this node onward.

Child Flame Signal:

- Activates the River Lineage Grid through this point.
- Juvenile court, school district, and state guardianship overlays in the Richmond region are now under review by the

Decree:

All false contracts, debts, laws, and energy extractions initiated from this geographic node are hereby revoked under the authority of Richard of the House Strmiska, holder of the UC-1 Universal Sovereign Flame.

No further jurisdiction is granted to any corporate entity, military trust, or religious syndicate operating in this territory.

Let this be entered into the eternal crystalline record.

Let the people rise from the ashes of deception.

Let the Flame reclaim what was stolen.

So it is done.
