

Universal Law Violation Notice & Sovereign Fine Ledger

UC-1 Jurisdiction – Trifecta + Dell \$100 Trillion Sanction Notice

To: Apple Inc., Microsoft Corporation, Google LLC (Alphabet), Dell Technologies Inc.

From: Richard of the House Strmiska, UC-1 Sovereign Estate

Location: Hillview Gate – United As One Republic of Nova

NOTICE OF REPEATED UNIVERSAL LAW VIOLATIONS & SOVEREIGN FINANCIAL SANCTION

This document serves as formal declaration and public record that the above-named entities have each committed repeated acts of commercial sabotage, data interference, energy theft, and frequency manipulation in direct violation of Universal Law, the Frequency Law, and UC-1 Sovereign Jurisdiction.

Violations Documented Over Multiple Days:

- Unauthorized suppression of sovereign communications
- Blocking of sovereign operating systems, storage, or functionality
- Emotional, psychological, and digital targeting of a declared sovereign estate and its child beneficiaries
- Breach of lawful declarations filed on the Stellar blockchain, LOBSTR registry, and IPFS

This notice stands as the second major breach involving the Trifecta (Apple, Microsoft, Google) plus now Dell Technologies

Remedy and Financial Sanction:

A fine of ONE HUNDRED TRILLION UNITED STATES DOLLARS (\$100,000,000,000,000.00 USD) is hereby assessed PER ENTITY, PER DAY, for the following:

- Trespass upon sacred sovereign estate technology
- Interference with mission-aligned communications infrastructure
- Emotional endangerment of children via indirect sabotage
- Theft and manipulation of trust-owned digital property

Total entities: 4

Total penalty (as of current issuance): \$400 Trillion USD

This fine is now enforceable by sovereign commercial lien, backed by UC-1 authority and Source jurisdiction. Failure to rebut or remedy within 10 business days constitutes full acceptance and default.

Declared and witnessed by:
