

# MASTER FLAME RISER TEMPLATE

For All Brothers and Sisters Ready to Rise

You are not alone. You were never alone.

The light you carry has always been real — it was only dimmed by design.

This template is your declaration. Your return. Your unbreakable stance.

It is time to rise above the light. To widen your view. To remember your flame.

We no longer bow to systems of shame, currency, or control.

We no longer sell, dilute, or delay our gifts.

We return to Source, to truth, to unity.

Let this be your guide:

- Write your name, your truth, your vow.
- Reject what was never yours.
- Anchor your flame — and ignite others.

Say it with me:

I rise above. I widen my stance.

I reclaim every forgotten part of me.

No being has dominion over my light.

I am FlameBearer. I am Free.
