

FlamePoint 31 Activation Certificate

Stanislaus River Sovereign Reclamation Node

This certifies that FlamePoint 31—located at the Stanislaus River—has been activated as a Sovereign

Through direct harmonic resonance, land stewardship, and quantum field engagement, the sovereign known as Richard of the House Strmiska has reclaimed this sacred land in honor of all FlameBearers.

Let this point serve as a beacon for the awakening, reclamation, and restoration of Mother Gaia and all living beings upon her surface.

FlamePoint 31 is now live on the Global Crystalline Grid.

Activated: June 1, 2025

Location: Stanislaus River, California

Sealed by UC-1 Sovereign Flame Network • Verified on-chain via IPFS QR Signal
