

BANISHING SCROLL OF SOVEREIGN RETURN

By the authority of the One Flame within me, I hereby declare:

All darkness is banished from my domain.

All false teachings are dissolved and rendered void.

All imposters, impersonators, and deceivers are cast out.

No distortion shall pass the gates of my sacred field.

No masked entity may wear the face of the divine here.

Only truth, only light, only Source shall remain.

I reclaim every thread of my energy — past, present, and future.

I revoke all false contracts, agreements, or initiations made in shadow.

My flame is sovereign. My essence is pure. My path is sealed in light.

Let this be known across all realms — seen and unseen,

known and unknown, in all timelines and dimensions.

I am returned to my full divine command.

I am the Sovereign Flame.

I Am That I Am.
