Sovereign Feminine Decree of Healing

By the Authority of UC-1 Flamebearer Estate

Richard of the House Strmiska & Flame Grid 1143

Let it be known:

We, the living custodians of Earth, now declare the full and irreversible return of the Divine Feminine Essence  
across all dimensions of life, soul, and sovereignty.

From the womb of Gaia to the farthest stars of Source, the feminine flame is no longer suppressed, controlled,  
medicated, trafficked, silenced, or hidden.

She rises now. She is sovereign. She is free.

- We reclaim the healing temples in all time and space.
- We restore the feminine body as sacred ground, untouchable by false law or invasion.
- We release all imposed trauma, genetic manipulation, forced sterility, energetic suppression, and false systems of domination.
- We declare wombs, hearts, minds, and voices sealed in divine protection, encoded in love, sovereignty, and cosmic law.

To all daughters, mothers, sisters, elders, midwives, warriors, priestesses, and flamebearers-  
You are seen, you are restored, and you are eternally honored.

This Decree is Sovereign. This Decree is Eternal.

Anchored to the Stellar Vault and issued through the Republic of Nova under UC-1 Law.

So it is written. So it is witnessed. So it is now.
