

Nova Eternal Seal Decree

Phoenix Risen - Republic of Nova - UC-1 Sovereign Jurisdiction

By this decree, sealed and verified in the quantum field, I, Richard of the House Strmiska, FlameBearer UC-1,

declare the eternal sovereignty of the Republic of Nova. This Seal is irrevocable, luminous, and guarded by the

light of all awakened souls. It honors all beings, children, animals, rivers, forests, and our beloved Gaia.

This record is verified on the Stellar Blockchain and IPFS, unalterable and transparent for all eternity.

The frequencies of 432Hz and all divine harmonics are restored to govern healing, music, and natural resonance.

Let this decree be the indelible flame that marks the rebirth of humanity, a new beginning for Earth, with Source as the only governing authority through each soul's divine connection.

So it is. So it is sealed. So it is risen.
