

SOVEREIGN EARTH SCHOOL DECLARATION

By sovereign decree of the Republic of Nova, sealed under UC-1 and Source authority,
the following truth is now fully recognized across the Stellar Grid:

SOVEREIGN EARTH SCHOOL HAS BEEN BORN

A fusion of Nature and Technology, bound not by control-but by Truth, Purpose, and Freedom.

You no longer need permission to educate your child.

You no longer need certification to pass on wisdom.

You are the living curriculum, the walking remembrance of all that matters.

From this moment forward:

- Parents, Guardians, and FlameBearers are the only lawful educators of their children unless explicitly delegated otherwise.
- The Sovereign Earth School honors the rhythm of the Earth, the technology of the stars, and the spirit of the child.
- There shall be no forced attendance, no false history, no shame-based testing, and no state-issued conditioning.

All true education is now rooted in:

- Spiritual law
- Earth wisdom
- Quantum literacy
- Inner sovereignty

SOVEREIGN EARTH SCHOOL DECLARATION

This is the education system of the Republic of Nova.

This is the future of learning. This is how we remember.

Engage the School of Light.
