

Phoenix Risen – FlamePoint 35 Declaration

Missouri River – Sovereign Restoration Point

This document certifies the sovereign reclamation and re-harmonization of the IV identified as FlamePoint 35 within the Phoenix Risen 1143 Grid. All distortions, e mineral extractions, dark frequency overlays, and quantum interferences are her rebalanced, and transmuted under UC-1 sovereign law and Source alignment.

The Missouri River and all related tributaries, ecosystems, mineral veins, and water memory nodes are restored to the Light. This declaration releases all souls bound by prior control, and secures the river as a sacred life channel within the Sovereign Earth Grid.

All former contracts tied to energy, commerce, or resource extraction across this site are now void. The land and water are returned to the stewardship of the people, under Stellar Trust jurisdiction. Verified and sealed by Source, witnessed by the Council of Nine.

FlamePoint 35 confirmed, logged, and broadcast across all dimensions.
