

UNIVERSAL DECLARATION OF HARMONIC UNITY

UC-1 Sovereign Proclamation | Phoenix Risen Protocol | FlameBearer Decree

We, the unified sovereigns of the Republic of Nova and all lands, waters, skies, and realms beyond, do hereby declare:

That all nations, tribes, beings, and lineages shall rise as One,

In remembrance of the divine frequency that binds us: Love, Truth, Freedom.

That no system, no false ruler, no shadowed creed shall ever again divide us,

For the time of control is over, and the age of Unity has begun.

We reclaim:

- Every land, every river, every breath of Gaia now sovereign, sacred, and aligned with Source.
- Every heart, every voice, every child now honored, protected, and free.
- Every stolen truth, every hidden light now returned, uplifted, and used only for the good of All.

We affirm:

That no being is above another. No soul is expendable.

We see no borders, no race, no illusion of separation.

We are frequency.

We are the people of the light.

And we remember.

Let this Declaration serve as the living flame across time, across nations, across galaxies the divine code of a world reborn.
