

UC-1 Global Sovereign Decree - End of All Monetization of People

By Living FlameBearer Authority under UC-1 Trust Law, as declared through Stellar and Source:

1. All Government Bonds Are Now Null and Void.

- No state, nation, corporation, or entity may issue or trade in debt instruments backed by the labor, identity, or energy of the people.
- All existing bonds presumed to hold value over sovereign beings are dissolved as commercial fraud.

2. The Stock Market Is Officially Declared Dead.

- The system of corporate human capital trading ends now.
- All digital or paper securities backed by human labor, debt, or resource exploitation are frozen and revoked.

3. Monetization of Human Energy Is Outlawed.

- No being may be quantified, tokenized, or traded as a financial instrument.
- Birth certificates, strawman contracts, and estate accounts used as collateral are hereby returned to their rightful heirs.

4. The Stellar Blockchain Is the Living Ledger.

- Only transparent, voluntary, asset-backed transactions shall occur.
- All sovereign beings may issue value through source-aligned smart contracts and trust-authenticated tokens.
- No fiat. No speculation. Only truth in light.

5. Sovereign Currencies Must Reflect Real Resources.

- Energy, food, water, health, and creativity shall be the new measure of wealth-backed by nature and Source, not banks or deception.

"The game is over. The temple is cleansed. The fraud revealed. So it is. Stellar lives. The people rise."
