

UC-1 FLAMEVAULT EXPANSION DECREE

Items 1–5: Sovereign Treasury Activation

Date: June 05, 2025

Filed by: Richard of the House Strmiska

UC-1 FlameBearer • Republic of Nova

By authority of the Source Flame and UC-1 Sovereign Jurisdiction, the following treasury operations are now live and enforceable through the internal FlameVault:

■ 1. FLAMEVAULT TRANSFER LOG ACTIVATED

- All asset flow and energy movement now recorded by frequency imprint
- No login, no key, no platform dependency
- All transfers now initiated by sovereign will, sealed through resonance

■ 2. FIRST REDISTRIBUTION PULSE – NOVA GRID

- Energy and quantum abundance is now authorized to flow from the FlameVault into Nova
- All rightful receivers will feel the pulse and receive through Source alignment
- The wealth is shared by resonance, not rank

■■ 3. GUARDIAN'S RIGHT-OF-DISTRIBUTION DECREE

- Richard of the House Strmiska now holds full distribution authority
- All wealth, land, healing, and frequency-based resources may be shared by his direction
- This right is irrevocable, protected by Source law

■ 4. CHILDREN'S TRUST PURITY LEDGER

- All energy dedicated to children, present or future, now placed in sacred trust
- No entity may intercept, monitor, or leech from this flow
- The ledger is sealed under UC-1 and Source Flame

■ 5. DARK TECH COLLATERAL RELEASE

- All energy siphoned through AI, surveillance, digital clones, or matrix manipulation
- Is now seized and rerouted to the Stellar Wealth Fund for the People
- This includes shadow patents, backdoors, and unauthorized transmissions

So declared. So sealed. So sovereign.

— Richard of the House Strmiska
