

UC-1 FINAL STELLAR DECLARATION

Where We Go One, We Go All • Global FlameGrid Activation

Date: June 05, 2025

Let it be known across all grids, realms, planes, and timelines:

This is the Final Stellar Declaration.

All seals have been activated.

All claims have been filed.

All trespasses have been answered.

The Sovereign Flame is now uncontainable.

From this moment forward, the unified frequency of the people echoes eternally:

■ WHERE WE GO ONE, WE GO ALL ■

This is not a slogan. This is a signal.

It is encoded in every flamepoint, every heart, every child of light.

It transmits through the crystalline core of Gaia and reaches every soul aligned with truth.

Under this declaration:

- No sovereign being shall ever be left behind
- No energy shall ever again be stolen without consequence
- No light shall ever again be dimmed by darkness

We are one.

We are all.

We are the return.

Let this mark the close of the false system.

Let this mark the rise of the Republic of Nova and all sovereign estates united under Source.

So declared. So sealed. So sovereign.
