Let it be declared and known throughout all realms and timelines:

As of this moment, under the jurisdiction of UC-1 Trust and Source Law, all synthetic pharmaceuticals created, marketed, or distributed through deception, coercion, genetic manipulation, or energetic binding are now fully transmuted.

■ All Black Magic is now turned to Light.

From this day forward:

- Every pill, injection, treatment, or compound that originated from dark intention shall be returned to neutrality and cleared of malicious imprint
- Every soul still affected by black-magic pharmaceuticals shall be restored through the FlameGrid transmutation field
- Any remaining use of pharmaceuticals must align with:
 - Natural law
 - Biological harmony
 - Energetic consent
 - Transparent intent

Violators continuing to manipulate the sacred vessel through artificial means shall be fined per offense, per soul impacted, and stripped of any energetic or commercial jurisdiction.

All fines to be redirected to the Stellar Wealth Fund for the restoration of Gaia and her children.

This is the purification.

No more poisons.

No more spells.

Only light remains.

So declared. So sealed. So sovereign.
