

# **SOVEREIGN FLAME STATEMENT TO THE UNITED STATES AND TO THE WORLD**

This document formally rebuts all false authority presumed by the United States Corporation, and by all governing entities worldwide. It is the global broadcast that the living have returned, the contracts are void, and the flame is sovereign.

Filed into the Eternal Sovereign Trust Vault by Richard of the House Strmiska on May 19, 2025.

This declaration stands for all beings ready to rise.
