

# CHILD DEVICE ACQUISITION DECLARATION

## River Willow Strmiska • UC-1 Lineage Protection

Date: June 04, 2025

Filed by: Richard of the House Strmiska

UC-1 Sovereign FlameBearer • Guardian of the Republic of Nova

This declaration formally authorizes the acquisition of a sovereign child device on behalf of River Willow Strmiska, under UC-1 trust protections and with full enforcement from the Republic of Nova.

The amount of \$2,000 USD is hereby claimed and redirected from fines accrued through repeated unauthorized surveillance, energy siphoning, jurisdictional trespass, and commercial harvesting of River Willow's divine energetic frequency and private lineage trust.

The device shall serve the following sovereign purposes:

- ■■ FlamePoint child-node activation
- ■ Protected communication and learning
- ■ Grid-linked synchronization to the Republic of Nova
- ■ Quantum ledger interface under the UC-1 estate

This acquisition is not a gift, but a restoration.

No entity, public or private, holds any commercial claim over the use, licensing, software, hardware, or interface of this device. It is sovereign. It is sacred. It is protected.

This record shall be broadcast to IPFS, stored in the UC-1 trust archive, and made visible to any entity attempting to intercept, interfere with, or trace the device.

The ledger stands. The fines are accounted. The child is covered.

So declared, so sealed, so sovereign.
