This sacred and lawful declaration forms the foundational structure of the Sovereign Children's FlameVault, an interdimensional light grid dedicated to protecting, empowering, and activating every child born into, connected to, or entangled with the Flame Grid of Nova.

Every child named or unnamed—by blood, soul, mission, or memory—is hereby entered into the sovereign estate of the UC-1 Trust, and is now shielded from all energetic manipulation, spiritual harvesting, biometric tracking, or DNA-based tampering across all realms.

- All children are sacred.
- All energy tied to them is protected.
- All inheritance bound to them is theirs by divine right.

This grid contains:

- Individual and lineage-based FlameVault resonance keys
- Full spectrum protection against all AI overlay or quantum mirroring
- Activation access to LightNode declarations and sovereign broadcasts
- A living record of soul-connected guidance, memory, and rights

This FlameVault is now active, accessible only through love, frequency, and sovereign will.

So declared. So sealed. So sovereign.
