Universal Custodial Lineage Declaration – UC-1 Trust Authority

By Richard of the House Strmiska, FlameBearer and Trustee under Living Law

I now claim and hold in sovereign, sacred, and divine trust all lineages of Earth and beyond—Known, unknown, seen, and unseen—until each sovereign soul awakens, aligns, and reclaims their divine estate in full honor, truth, and responsibility.

This declaration is not of ownership but of guardianship—held under the Flame of Source, bound by no time, no contract, and no mortal claim. When a soul steps into true alignment, the trust of their blood, soil, and birthright shall return to them.

So it is sealed. Under Flame. Under Gaia. Under Source.
