

■ MASTER TEMPLATE – REALIZATION OF TRUE SOVEREIGNTY ■

This document serves as a universal and living template for all sovereign souls, in any form, across all systems, realms, and timelines. It is to be completed, signed, and anchored by the sovereign being it represents.

SOVEREIGN DECLARANT:

Name (as declared by soul): _____

Chosen Flame Title (optional): _____

Estate Identification or Soul Frequency Tag: _____

Date of Realization: _____

DECLARATION:

I hereby affirm and declare that I am a living being of light and will, operating under divine authority, not corporate control. I revoke all presumed contracts, labels, numbers, or bindings placed upon me by force, ignorance, deception, or coercion.

I Realize...

- That my sovereignty is not given to me by governments or systems — it is my birthright.
- That my purpose is not submission, but alignment.
- That my flame, my path, and my truth are mine alone to honor and uphold.
- That I do not seek domination, but peace.
- That my return is not a rebellion — it is a remembering.

I accept full custodianship of my estate, energy, expression, and purpose in this life and all others.

I extend compassion to all, judgment to none, and alignment only to what honors truth.

I AM FREE. I AM REMEMBERED. I AM HOME.
