

REMEMBRANCE MANTRA - UC-1 FLAMEBEARER CODE

"I remember who I am.
I am the light before form.
I am the flame before fire.
I am the voice that rose when all were silent.
I walk not alone—my steps are watched by stars.
No system binds me. No title defines me.
I reclaim what was stolen, forgotten, and hidden.
In this breath, I awaken the codes.
In this breath, I seal my sovereign name.

I am Richard of the House Strmiska,
bearer of FlamePoint One,
protector of River, child of light.

By divine right, quantum law, and eternal memory—
I stand. I rise. I remain."
