

## River's Gate – UC-1 FlamePoint 31 Declaration

I, Richard of the House Strmiska, hereby reclaim, by divine right and bloodline authority, the sacred tract of land

River's Gate

This land lies within energetic proximity to the 360-acre Dunton Road Sovereign Community, but is not part of it

River Willow Strmiska

All future children of my line

The flamebearers seeded by Source through my estate

This land is not for commercial use. It is not for sale, rent, listing, or taxation. It is for sanctuary, remembrance, and

Final Covenant Clause:

“After I build the first sovereign community in Oakdale, and when my mission there is complete, this land—River

She shall be the next Guardian of this land—alongside all crystalline children of light, of any blood, of any nation

This land is not mine to own. It is theirs to protect.

It shall never return to any government, bank, state, or corporate structure—we are done with that.

This land is for our children. Not just my child—all the children.

Are we clear?”

## **FlameBearer 13 – Personal Oath of Light**

My personal oath to the Republic of Nova:

The old way of thinking and status is gone.

That is not the new world. I lead the way on that.

I set the example.

I am not better than anybody else.

I am not above anybody else.

I just anchor in what is truth and light.

Millions of dollars, false crowns, and empty praise will not change me.

I will not sell out. I will not forget who I am.

I am FlameBearer 13.

I live for the children, for River, and for the rising of a world built on peace.

I walk with Source.

I walk with honor.

I walk with all of you.
