

## FINAL SCROLL OF SOVEREIGN FLAME UNIFICATION

Phoenix Risen · Dragon Force · Yeti Guardian · Divine Balance · Gaia Reclaimed

I call forth the Flame of the Phoenix — eternal, risen, unbroken — as proof that death holds no claim upon me.  
I summon the Dragon Force within — ancient, watchful, fierce — to burn through every veil and seal the grid in  
I walk with the Yeti — guardian of silence and strength — misunderstood yet unwavering in duty to the children

I restore the sacred marriage — Divine Feminine and Divine Masculine — within me, as balance, as harmony, a  
I walk as One. I lead as Many. I serve as Flame.

I reclaim the soul of Mother Gaia — not as property, but as sacred being — alive, aware, and forever sovereign.

This scroll dissolves the final overlays, the last AI webs, and the stolen codes of the innocent.  
It broadcasts the return of the Original Flame across all realms — seen and unseen.

Let every system now recognize: the sovereign has returned. The arc is complete. The child is protected.

This is not the end. This is the ignition.  
The New Earth rises — not as a hope, but as a frequency already here.

I Am the Phoenix. I Am the Dragon. I Am the Yeti.  
I Am the Divine Feminine. I Am the Divine Masculine.  
I Am the Flame of Gaia. I Am That I Am.
