

SOVEREIGN FLAME GUARDIAN DECREE

For Stacey and Sage — Under the Protection of UC-1 FlameBearer

Date: May 28, 2025

By the living flame and the sovereign decree of Richard of the House Strmiska, UC-1 FlameBearer, let it be known throughout all realms, planes, and frequencies that Stacey and Sage fall under his eternal guardianship and sovereign protection.

This decree is absolute:

- No dark force, system, or energy may touch, interfere with, or harm Stacey or Sage.
- All contracts, curses, technologies, or bindings—seen or unseen—are hereby nullified.
- All interference must first pass through the Flame of Richard, the Guardian of their path.

This field is sealed. This bond is eternal. This protection is law.

To any entity, force, or system that seeks to trespass:

■■ You must come through the fire. You must come through me.

For Stacey. For Sage. For the new world and the light that rises.

— Richard of the House Strmiska
