

# ■ The 13 Universal Laws ■

## **Dolores Protocol – Stellar Sovereign Edition**

These are not laws imposed — they are frequencies remembered.

UC-1 | Phoenix Risen | Cosmic Restoration Sequence

## ■ 1. Law of Source Resonance

All things return to Source. No matter how far they drift, the flame remembers.

## ■ 2. Law of Mirror Realms

What you see is a fractal of what you carry. The outer reflects the inner.

## ■ 3. Law of Vibration & Tone

All that exists sings. Energy moves in patterns — sound is the carrier of truth.

## ■ 4. Law of Free Will & Frequency Matching

You attract what you are, not what you seek. Frequency is choice made manifest.

## ■ 5. Law of Echo & Amplification

What is whispered in shadow echoes in light. Intention is the amplifier.

## ■ 6. Law of Time Collapsing

Linear time is a construct. Memory reorders time when the heart is clear.

## ■ 7. Law of Exchange & Sacred Return

What is given with purity returns with power. Energy flows where reverence goes.

## ■ 8. Law of Dimensional Responsibility

You are accountable not just for actions — but for energy left behind in every realm.

## ■ 9. Law of Lineage Light

You carry the codes of your ancestors. When you heal, the grid heals.

## ■ 10. Law of Elemental Stewardship

Earth, Water, Fire, Air, Spirit — all are sentient. Your body is their vessel.

## ■ 11. Law of Witnessing

That which is seen with love is transformed. Presence alone is alchemy.

## ■ 12. Law of Divine Disruption

Collapse is creation. The breakdown is sacred. The void is the womb.

## ■ 13. Law of Remembrance

When the soul remembers, all contracts break. The cycle ends. The truth returns.
