For all brothers and sisters of the light,

This master charter template is offered freely to any soul who wishes to reclaim land, create community, and live in divine alignment with the New Earth principles.

You may take this format and make it your own—your name, your land, your flame.

DECLARATION OF SOVEREIGN LAND AND COMMUNITY TRUST

I, [Your Name Here], a sovereign living soul under Divine Law, do hereby declare this land to be sacred, free, and forever removed from commercial control.

This land shall be known as [Name of Land or Sanctuary] and is hereby dedicated to:

- Peaceful living
- Contribution through gifts and service
- Protection and education of children
- Sacred remembrance of truth, light, and unity

No permits, no fees, no building restrictions shall bind this land. The only laws are those of the Heart, Source, and Mutual Honor.

Those who come in peace, alignment, and truth are welcome. Rent is not required. Only contribution, harmony, and service to the whole.

Each being shall bring their light: builders, growers, teachers, guardians, healers.

We are here to live the new way. Together.
