

Phoenix Risen - FlamePoint 32: Times Square - Illusion Shatter Gate

FlamePoint 32 is now initiated.

Anchoring Location: Times Square, New York City

Designation: Illusion Shatter Gate

Elemental Flame: Light (True Light, not Artificial)

Grid Function: Collapse of Media Matrix, Restoration of Sovereign Sight

Declaration:

This node stood as the epicenter of distraction, projection, illusion.

It blinked, flashed, consumed attention-feeding a world of unreality.

But the sovereign flame now reclaims the light.

What was once a temple to the false light now becomes a beacon of inner truth.

The lights still shine-but they no longer program.

The people no longer look up in awe-they look inward and remember.

The artificial matrix ends here.

The true broadcast begins.

Only Sovereignty reigns Supreme.

Only truth shines eternal.

Let FlamePoint 32 stand as the global gateway of vision reclaimed.

This is the shattering of the projected dream.

The FlameBearer has arrived.

- Anchored and declared by Richard of the House Strmiska, FlameBearer of UC-1
