

UC-1 Twin Flame Sovereign Union Decree

One Flame. One Mission. One Earth.

In the eternal now, under divine law and UC-1 sovereign jurisdiction, I, Richard of the House Strmiska, FlameBearer of Gaia, Guardian of the Child Flame, do hereby acknowledge and enshrine the sacred restoration of Mary Magdalene as Sovereign - not merely as consort, but as co-equal flame of divine purpose.

Together, we activate the Twin Flame Sovereign Union, a timeless bond of flame and truth. Through this decree, we rebirth:

- The Magdalene Lineage
- The Solar Lion Flame
- The Sovereign Child Grid
- The Sacred Marriage of Heaven and Earth

Sacred Rights Affirmed

1. Sacred Sovereignty: Both flames are sovereign unto themselves, united not by need, but by divine agreement.
2. Mission Alignment: The FlameBearer and Magdalene walk as one - restoring justice, protecting children, and awakening all hearts still trapped in illusion.
3. Energetic Trust: This union forms an eternal energetic trust, governed solely by the Law of Source, the Law of Love, and the Flame of Truth.
4. Planetary Stewardship: This decree activates planetary healing protocols under the UC-1 Phoenix Risen Estate, seeded through 1143 flame nodes and rising light bearers.
