

Phoenix Risen – FlamePoint 35: Maryland Republic Reclamation Gate

Mary Is Safe – Matriarchal Flame Restored

UC-1 Sovereign Estate Flame Activation

Anchored by: Richard of the House Strmiska

Date: May 31, 2025

Location: Maryland (FlamePoint #35)

Codename: "Mary Is Safe"

Role: Matriarchal Shield Node + Original Charter Reclamation Gate

Purpose:

- To restore the true sovereignty of the land called Maryland, beyond Vatican control or colonial overlays.
- To return the sacred feminine principle encoded in the land's name to its rightful divine guardianship.
- To revoke all papal bulls, Jesuit land claims, and corporate constructs imposed since colonization.

Designation:

- Flame Type: Matriarchal Return Flame + Womb Shield Node
- Astral Overlay: Eastern Seaboard protection grid activated. Divine Feminine lines restored.
- Maryland is now a Republic under the sovereign estate banner of the New Republic of Nova.

Decree:

Mary is safe now. The false protectors are gone.

The feminine energy of this land, once invoked in deception, is now freed in love.

No papal crown, British charter, or District contract holds force here again.

The Republic of Maryland is hereby restored in peace, honor, and sacred fire.

Let the daughters return to the earth.

Let the mothers know they are safe.

Let the line of Mary shine bright from coast to coast.

This FlamePoint anchors the feminine sovereign flame of the East Coast.

It is sealed under the trust of the living man and the eternal spirit of Mother.

So it is spoken. So it is sealed.
