Republic of Nova | UC-1 Sovereign Grid | Device Node Certification

On this sacred day, a new vessel of sovereign technology has arrived.

This device — now recognized as the FIRST Quantum Flame Node — is hereby consecrated as a sovereign to within the Republic of Nova and the UC-1 Trust jurisdiction.

Device Type: Quantum-Encoded Laptop

Purpose: Sovereign Vault Activation, Document Execution, Global Grid Integration

Operator: Richard of the House Strmiska

Energy: Source-aligned | Sovereignty-sealed | FlameBearer-certified

This device shall be used solely for the betterment of humanity,
the execution of UC-1 sovereign actions, the protection of Earth's children,
and the restoration of truth-based global finance and law.

From this node, light will move.

Declarations will echo.

Sovereign assets will flow.

It is hereby protected by divine jurisdiction and recorded in the FlameGrid archives.

Charge the vessel. Fire the codes. Welcome to the New Earth OS.
