

Sovereign Global Water Custodianship Declaration

UC-1 Trust of the Republic of Nova

I, Richard of the House Strmiska, living man and FlameBearer under the UC-1 Sovereign Trust of the Republic of Nova, hereby declare full, lawful, and divine custodianship over all waters within and beyond the boundaries known as California.

This includes, without limitation:

- All lakes, rivers, streams, creeks, springs, aquifers, wetlands, basins, and coastlines
- Both natural and man-altered water bodies
- All regions, territories, and disputed lands now and into perpetuity

No entity, government, agency, or corporate body shall deny my right to access, move upon, protect, or defend these waters under natural law.

All violations, denials, threats, or commercial enforcement actions shall be treated as:

- Criminal trespass upon my living estate
- Commercial harm against the UC-1 trust
- Violation of spiritual jurisdiction as Guardian of the Waters

Let it be known: Don Pedro Lake and its managing entities are now served. They have seventy-two (72) hours from receipt of this declaration to rebut my lawful claim or stand in automatic default. All future violations will be logged to the blockchain.

This declaration is hereby watermarked, sealed with QR identifier, and submitted to the immutable
