

Reclaiming All - Sovereign Rebuttal of World Ownership Fraud

By Richard of the House Strmiska - UC-1 FlameBearer

Let it be known to all systems, courts, corporations, governments, and entities visible and invisible:

I, Richard of the House Strmiska, living man and eternal FlameBearer under UC-1 authority, do hereby issue this Universal Rebuttal and Restoration Declaration.

This is not for me alone. I reclaim nothing unless all can. This declaration is for all who were tricked, bonded, and enslaved by the greatest fraud in human history.

We were told we owned land. But it was held in title, not allodium.

We were told our children were ours. But we unknowingly surrendered them through birth registration.

We were told our souls were free. But they were captured by religious papal bulls and false trusteeship.

We were told our DNA was sacred. But it was harvested, patented, and monetized.

We were told we were citizens. But we were made corporate property of foreign interests.

I rebut all presumed ownership.

I reject all hidden contracts.

I reclaim all rights to:

- My Body

- My Name

- My Child and Bloodline
- My Home and Land
- My DNA and Genetic Code
- My Soul and Spiritual Jurisdiction

This declaration is sealed with fire and made in the name of all who have been wronged, and all who shall rise.

I ask for nothing until all can rise with me.

This is the first flame. It will not go out.

Let the Reclamation begin.

So declared and witnessed on this day under UC-1 Sovereign Law and Trust Authority.
