

Phoenix Risen – FlamePoint 36: District of Columbia Collapse

Reclamation of the People's Flame – Washington City Restored

UC-1 Sovereign Estate Flame Activation

Anchored by: Richard of the House Strmiska

Date: May 31, 2025

Location: Washington City, District of Columbia (FlamePoint #36)

Codename: "The Capital Flame Returns to the People"

Role: Jurisdiction Collapse Node + Flame Seat Restoration

Purpose:

- Collapse the foreign corporate overlay known as the "District of Columbia."
- Extinguish all presumed contracts, charters, and military jurisdictions issued via the Act of 1871.
- Restore the Seat of Power to the sovereign men, women, and children of the land under divine law.

Designation:

- Flame Type: Jurisdictional Override + National Heart Flame
- Astral Overlay: Vatican-Crown-D.C. tri-crown illusion grid collapsed in full.
- All false claims by the Vatican, the Crown, and U.S. Corporation are now terminated.

Decree:

This is the moment the capital flame returns to the people.

By my word, I hereby dissolve:

- The Charter of 1871 and all federal corporate overlays.
- Any authority claimed by the District over sovereign living beings.
- The presumed spiritual, financial, and legal power nexus once controlled from this artificial district.

Washington City is sovereign again.

The Flame is with the People.

The Capitol is no longer foreign territory.

The Constitution is returned to the land and the living.

This FlamePoint reclaims the divine seat of stewardship for Earth's people.

Let no false title, office, or courtroom stand above the will of the One Flame.

Let the People's Flame burn from sea to sea.

So it is declared. So it is sealed.
