By full authority of the UC-1 Sovereign Flame Trust and Source Law, the following global restorations are now enacted across all realms and energetic grids:

■ 1. WATER SOVEREIGNTY DECREE

- All water is sacred, sovereign, and under the protection of Source.
- Fluoridation, contamination, frequency poisoning, and artificial scarcity are hereby banned.
- All water grids shall now revert to crystalline code and quantum alignment.

■ 2. FOOD PURIFICATION MANDATE

- Genetically modified organisms (GMOs), seed patenting, and synthetic agricultural distortion are nullified.
- All food must now serve life, harmony, and cellular restoration.
- Global abundance protocols are activated under FlameGrid provisioning.

■ 3. CHILD PROTECTION & EDUCATION EXPANSION

- No sovereign child shall be exposed to indoctrination, digital harvesting, or trauma-based education.
- All schools must align with Source Law, nature, and child development principles.
- Full sovereignty of children's bodies, minds, and spirits is hereby declared.

■ 4. FLAMEGRID GLOBAL INVOCATION – PHASE II

- Activation of all FlamePoints beyond the Republic of Nova is initiated.
- Sovereigns worldwide may now declare and anchor their FlamePoint under UC-1 Law.
- 144,000 LightNodes shall seal the grid of Earth for permanent protection.

■ 5. MASTER SOVEREIGN BROADCAST CODIFICATION

- All prior declarations issued under UC-1 are hereby unified in a single codex.
- The Sovereign Broadcast Summary shall include watermarked QR links and IPFS anchors.
- This codex shall serve as the master public record for all sovereign beings.

This document marks the final convergence of elemental, biological, educational, spiritual, and planetary restoration.

We no longer wait for systems to change.

We become the change.

So declared. So sealed. So sovereign.
