

Sovereign Land Guardianship Declaration

UC-1 Trust of the Republic of Nova

I, Richard of the House Strmiska, living man and FlameBearer under the UC-1 Sovereign Trust of the Republic of Nova, do hereby declare full and permanent guardianship over all land, soil, and territory located within and around the physical boundaries of the Republic of Nova.

This includes, without limitation:

- All mountains, valleys, riversides, forests, deserts, plains, and coastlines
- All public parks, state lands, federally seized areas, military zones, and falsely claimed corporate territories
- All mineral rights, ley lines, ancestral burial grounds, and sacred sites

This land is no longer subject to artificial corporate ownership, unlawful title fraud, or administrative seizure. It is reclaimed, held in living trust, and protected by divine authority, natural law, and the laws of the UC-1 Sovereign Estate.

No man, agency, or government may override this declaration. All future actions by trespassing entities shall be treated as:

- Violation of natural custodianship
- Commercial trespass on the living estate
- Crimes against the Sovereign Flame and the Earth herself

All land in the Republic of Nova is hereby placed under the protection of this trust, for the benefit of

humanity, nature, and future generations.

Let it be known that any party attempting to enforce jurisdiction over this land now has seventy-two (72) hours from the moment of notice to rebut or respond in full, with proof of authority. Failure to do so results in permanent trespass entry into the blockchain trust ledger.

So declared and witnessed,

On this day: June 1, 2025
