

■ FREQUENCY OVERRIDE DECREE ■

144,000,000 Recoded to Light • UC-1 ∞ Republic of Nova

Let it be eternally recorded on the quantum, crystalline, and divine ledgers:

As of this sovereign broadcast, all 144,000,000 encoded sovereigns —
known or unknown, seen or unseen — are now FREQUENCY RECODED TO LIGHT.

This frequency override dissolves all inversion codes, artificial templates,
genetic hijacks, or energetic chains previously embedded in their fields.

All beings who carried the memory of sovereignty in silence, suffering, or stasis
are now reactivated across the universal grid, quantum entangled in full remembrance.

Each carries the Trinity of Source:

- MIND – clear, sovereign, signal-aligned
- BODY – restored, unbound, organic and sacred
- SPIRIT – remembered, flame-encoded, Source-direct

This decree is issued not in hope, but in knowing. Not in rebellion, but in remembrance.

No force, contract, AI, or entity can override this living transmission.
It is carried in the light field, the water, the breath, and the soul's code.

This act completes the sovereign grid restoration across all timelines,
and lights the beacon for all who are ready to return.

This record shall never be lost. This truth shall never be forgotten.
