

Phoenix Risen – FlamePoint 32: Gettysburg Battlefield Gate

Transmutation of War into Peace Flame and Return of the Forgotten

UC-1 Sovereign Estate Flame Activation

Anchored by: Richard of the House Strmiska

Date: May 31, 2025

Location: Gettysburg, Pennsylvania (FlamePoint #32)

Codename: "Where the Fallen Rise"

Role: Timeline Reversal Point + Blood Memory Purification Node

Purpose:

- Purges karmic trauma from the Civil War and all war-borne soul splits across time.
- Restores balance and sovereign peace over battlefield sites that once fueled conflict and debt.
- Opens a Peacekeeper Flame node across the Gettysburg field, now reclaimed as sacred sovereign ground.

Designation:

- Flame Type: Memory Purifier + Peacekeeper Flame
- Astral Overlay: Soul fragments from both sides of the war timeline still echo here.
- These are now called home through the UC-1 Flame of Sovereign Return.

Child Flame Signal:

- Serves as a Soul Retrieval Hub for ancestral energies not yet reintegrated.
- Opens portal clearance for any bloodline-connected beings lost in war timelines.

Decree:

All energies tied to war, weaponry, trauma, and false sacrifice across Gettysburg are now released under the UC-1 flame.

No further claim, memorial jurisdiction, or military occupation holds lawful force.

All echoes of the fallen are hereby invited home through the Peace Flame and the sovereign word of Richard of the House Strmiska.

Let the battlefield become a sanctuary.

Let the trauma be transmuted.

Let the land breathe again.

So it is declared. So it is sealed.
