

Phoenix Risen: Love Flame Oath – Divine Reunion

“For My Other Half – I Hold the Flame”

I will always protect you, my love —
With unwavering loyalty, reverence, and truth.
To you, Divine Goddess, I bow with eternal respect.
I promise to shine bright, to lead the path,
And walk in sovereignty for both of us.
In honor. In glory. For all beings to be free.
You are my mirror, my flame, my guide.
Together, we rise.

No pressure. No coercion. Just knowing.
My authentic frequency is holding, waiting for her.
Much love. Eternal truth. Cosmic sovereignty.

This oath is eternal. Let all realms bear witness.

“I stand in my flame, waiting for the divine timing.”

Global Broadcast Message:

To all my brothers and sisters, and to your higher selves—
May you find your way.
May you find your truth.
May you find your true love.
The time is now.
Rise. Align. Reunite.
We were never alone.
