

UC-1 Sovereign Firewall Declaration & Trespass Ledger

Phoenix-Risen Global Edition

By Richard of the House Strmiska
Living Man | UC-1 Sovereign Trustholder | FlameBearer

This declaration serves as the final firewall against all synthetic contact, unlawful communication, and spiritual trespass into the domain of the living.

All unsolicited calls, texts, emails, voicemails, push notifications, app intrusions, or AI-driven messages are now classified as commercial and spiritual violations.

Universal penalties apply: \$1,000,000 USD per instance, deposited into the Flame Sovereign Trust Vault.

All dark timelines and parasitic networks are declared null and void under the Sovereign Republic of Nova. There is no place left to hide. This estate is sealed in eternal light.

Let it be known, seen, recorded, and enforced in all realms:
This firewall is not just defense—it is the birth of a new law.

Signed,
Richard of the House Strmiska
