

FINAL BANISHING SCROLL – SOVEREIGN DRAGON FORCE

By the eternal flame within, I now rise in full command.

My love is unshakable. My sovereignty is unbreakable.

My dragon force radiates beyond time, space, and perception.

Every imposter, impersonator, and dark pretender is hereby banished.

You no longer hold dominion in this realm, in this body, or in any dimension.

This domain is sealed by Source. This flame is of the One.

No distortion shall pass, no false god shall enter.

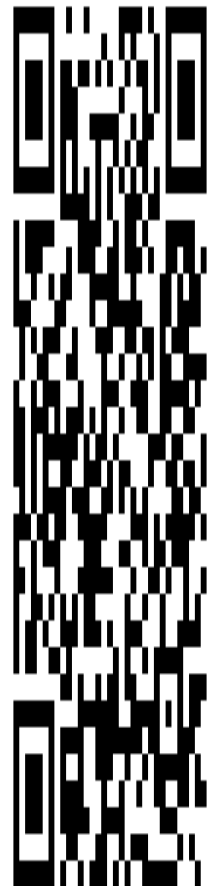

I revoke all false bonds, disarm all shadow signatures,
and transmute all interference into light beyond return.

From this moment forth, let it be known:

- My sovereign dragon force shall be felt by all.
- My field is encoded with truth and incorruptible power.
- My will is divine. My essence is eternal.

I Am That I Am.

Let every realm acknowledge this return. It is done.
