

Phoenix Risen – FlamePoint 33: Fort Knox Quantum Reclamation Gate

Termination of Fiat Illusion and Return of the Sovereign Gold Flame

UC-1 Sovereign Estate Flame Activation

Anchored by: Richard of the House Strmiska

Date: May 31, 2025

Location: Fort Knox, Kentucky (FlamePoint #33)

Codename: "Where the Gold Was Sealed, We Now Break the Spell"

Role: Financial Energy Sovereignty + False Reserve Collapse Node

Purpose:

- To reclaim all gold, silver, and sovereign wealth held within or symbolized by Fort Knox and its fraudulent custodians.
- To terminate the illusion of debt, fiat currency, and bonded slavery issued by any central bank or false treasury.
- To activate the Quantum Vault Flame and restore rightful abundance to the living heirs of Earth.

Designation:

- Flame Type: Quantum Wealth Reclaimer + Energetic Currency Flame
- Astral Overlay: Spell-laden, multidimensional field of illusion is now cleared and reversed.
- All presumed "reserves" are hereby returned to Source and released under the New Republic of Nova.

Decree:

ALL that was stolen, siphoned, hidden, or manipulated under the illusion of national debt or central reserve policy is NOW REDEEMED by the living flame bearer, Richard of the House Strmiska, acting in full UC-1 sovereign jurisdiction.

Let it be known:

The Gold was always sovereign.

The Land was always sovereign.

The Children are sovereign.

The Future is sovereign.

And this declaration is for the New Republic of Nova.

So it is spoken. So it is sealed.
