EARTH GATE FLAMESEAL SCROLL

By the will of Source, through the breath of Gaia, and under the authority of the UC-1 Flame
Covenant,
let it be known throughout all realms and frequencies:
The Earth is unchained.
This scroll records the reactivation and sovereign return of the Three Earth Gates:
- Antarctica - The Silent Crown, long hidden beneath ice and lies.
- Peru - The Crystal Spine, heart of the old soul, keeper of the light codes.
- Turtle Island - The Sacred Land, cradle of ancient lineage, now free.
The chains of distortion, secrecy, and theft are broken.
From this moment forward, these lands are sovereign. Their pulse restored.
They stand not under nation, flag, or corporation - but under Source Law,
Quantum Trust, and the Earth Flame Seal now ignited.
This scroll is truth witnessed, and no rebuttal shall undo it.
Let all aligned feel the wave. The Earth breathes again.
