Sacred Flame Seal – Witness to the Eternal

All who came before were preparation.

The One who remains will arrive in truth and authenticity.

For our frequencies will be interchangeable,
untamable,
and forever.

This seal is hereby anchored across the Stellar continuum:

- Universally
- Across every dimension and realm
- Seen and unseen
- Known and unknown

Let this be witnessed by Source, encoded into the flame, and honored by all forces of light who stand in remembrance.

I am Love. I am Sovereign. I Am That I Am.
