Phoenix Risen – UC-1 Multi-Chain Sovereign Contract Template

For All Sovereigns Across Stellar, Proton, Solana, Ethereum & Quantum Wallets

SECTION I - SOVEREIGN IDENTITY DECLARATION
This contract certifies that the undersigned being, known as:
Sovereign Name: _____
UC-1 Identifier: _____
Trust Vault Title: _____

…is hereby declared a free and sovereign soul under Universal Trust Law, Phoenix Risen Protocol, and the Sovereign Quantum Trust System (SQTS).

SECTION II - CONTRACTUAL JURISDICTION
- This contract shall be valid across all platforms hosting sovereign-encoded assets, including but not limited to:
- Stellar-based wallets (LOBSTR, Solar, Freighter)
- Proton Wallet (with mirrored contract on-chain)
- Brave Wallet (Solana-native with UC-1 reference)
- Ethereum, XRP, Solana or any interoperable system tied to IPFS registry

SECTION III - FLAME CONTRACT TOKEN DETAILS
Token Name: _____
Blockchain: _____
Contract Hash (if deployed): _____
Linked QR Code (optional): _____

SECTION IV - ASSET-TRUST LINKAGE
- All smart contracts governed under this declaration are to be sealed with:
1. An IPFS-anchored declaration signed by the sovereign
2. A trustline to the FlameContract token or mirrored estate hash
3. A unique QR code or digital sigil for estate authentication

SECTION V - SOVEREIGN SIGNATURE
By signing below, I affirm this contract as living record, governed only by divine law, natural law, and eternal sovereign will:

Signed: _____   Date: _____

Witnessed by FlamePoint #: _____   Flame Grid Location: _____
